Whoa-
It's the Hushroom kid!
Hello?
It's been a while!
How you doing man?
Hello
Hello
What was your name again? Mo Banana Kan?
It's Banah Kang.
Aloha, Banana Kan-
Is your name Pineapple Burning?
Is Banah the name to be feared for long-lived you say the word to be burned?
Why do you need to bring this old account?
Don't take this one as don't know what will happen
stuck
Hey!? It's that thing?
A zucchini? Why are you putting this here?
It's a silencing buzzer.
A silencing buzzer? It's the first time I've heard of it.
I'm putting it here so that if we have visits we don't have the people entering.
A silencing buzzer? It's the first time I've heard of it.
The normal people used to be surrounding me died that are written.
This one is usually only used by people with spiritual powers.
Let's see what's written...
Hmm if seen about the medal, Mr. S Hun?
Yeah.
I think it was seen about three years.
I understand. Mm-hm.
Actually I'm curious why you're interested in Mr. S Hun's records from three years ago.
In any case, you're not from the government. I see you in a different light. Hmph.
Hmm, thanks I guess.
So, Mr. S Hun, where is the captain of the ship?
Elevator key murderer?
Serial murders. These are murders that occur outside continuous killing within times on at least 3 characteristics.
From Hundred Zone, the murderer murders 3 destroyed villages at time.
Because there are 3 victims in the murder it won't be considered a serial murder.
They couldn't even count the murders who a ghost....
Hint, suddenly I can't remember her name...
Young Ok Yoon? I think her name was Young Ok!
Young Ok...Yoon...
Young Ok...Yoon?
Your grandmother was Lady Young Ok Yoon?
The Lady Young Ok Yoon who used to live in Nine Ant?
Uh, yes.
I guess you know of her?
Of course I knew of her!
In this world, the only person who could change Bahn Shin was your grandmother!
It's be weird if you didn't know who she was!
Bahn Shin?
Really, old man, if you're not going to say anything you're there so many things you don't know!
Bahn Shin, also known as Painless Bahn.
She is the ancestor and patron of all shaking.
She is the Painless Bahn from the tale of Bahn Shin.
And she's the goddess that buries the souls into the devils bosoms
Bahn Shin isn't someone who appears before just anyone!
And that's why Lady Yoon was really famous. You're her grandson and you don't even know that?
...I see.
Many of us were unable to see the face of death. I don't mean that I'm afraid of it, but I really know one.
Looking forward to meeting you.
Master, have you ever seen the face of a young woman with a golden, pretty and watching a knife? Your grandmother's face?
That meeting is Bahn Shin
A worthless meeting!
Wait, that's weird!
Before, it was definitely a Buddhist meeting
But then it changed to a shaking one day
So that was Princess Bari
Old man so then.
Could it possibly be Princess Bari Yeonhee
I got this power from a dream. Since my grandfather died I've been able to see them.
You can become an exorcist by accepting your grandmother's powers and abilities
I know that.
Why is Mr. S Hun's records from a Buddhist from that long ago?
Yeah. I think it was seen about three years.
Your grandmother was a Buddhist so why don't you know all this already?
Your grandmother was a Shaman!
Hold on. You mean you are not a Buddhist?
Hold on. You mean you are not a Buddhist?
Oh! S Hun's grandmother was a Buddhist who practiced Korean Shaman!
Hint, suddenly I can't remember her name...
Young Ok Yoon? I think her name was Young Ok!
Young Ok...Yoon...
Young Ok...Yoon?
Your grandmother was Lady Young Ok Yoon?
The Lady Young Ok Yoon who used to live in Nine Ant?
Uh, yes.
I guess you know of her?
Of course I knew of her!
In this world, the only person who could change Bahn Shin was your grandmother!

Bahn Shin?
Really, old man, if you're not going to say anything you're there so many things you don't know!

Ciel??
Ciel on his?

Even look longer in person, I can't tell if this is because of the flames or if it's always been black

Normally only a flame that size is left behind

But these are often times when particularly powerful flames are left behind by a person who has died

This victim's memories are almost always left behind

Especially when a person dies in horror, it does like this

And you're saying that you can read these impressions?

You know how to do psychometry?

He only things like that, projecting.

I can only read the memories that are connected to the soul.

That's good.

I guess you don't have to be so thorough this time?

Yes, of course.

Not really.

SHOO

It's not?

How so?
Was it so you could see everything?

I already told you, besides reading a persons memory doesn't exist for anything else

This is only one of the strange things happening lately.

You also said, really too many?
Since a few months ago, thanks?
More and more people begin losing in frequency.

I've been carefully investigating the cases with the help of Ciel, unknown as to when a trip ended in such a psychic phenomenon.

What the hound is so interested in these cases, they are left behind are perfectly erased a day or two after the incidents.

It's almost as if someone is purposely erasing them

Someone...purposely?

Nod

Nod.
I thought the Hyo Min Kim case you said that you saw the butterfly quite frequently?

I don't know why it also things, but it was always around the incidents.
Hyo Min Kim.

And it was destroyed when you introduced it.

And seeing how you have become more serious after the butterfly disappeared.

I have to say that the butterfly plays the role of running errors to the soul.

...?

Is there such a butterfly?

Eh.
No, nothing like that exists.

It has to be a butterfly that was just hallucinate.

So Baron, what relate Satan is you.

Something causing souls to fall into chaos and makes them commit crimes.

And when said souls become chaotic forces to interfere something causes any evidence

That it is being caused by the soul.

Is that what you're saying?

Yes.

I don't know the reasons, but there are times that something is forcing spirits to become unsettled.

Something that is controlling the souls.....

Why would you do something like this?..?

Then, where do we start our investigation?
